EDUCATION

San Francisco State University

M.A. Mathematics

Fall 2025 – Current

San Francisco, California

San Francisco State University

B.A. Mathematics, B.S. Computer Science

Fall 2022 – Spring 2025

San Francisco, California

AWARDS AND FELLOWSHIPS

Achievement Rewards for College Scientists - \$14,000

August 2026 - 2027

One of 73 recognized as academically outstanding United States citizens studying to complete their degrees in science, medicine and engineering, thereby contributing to the worldwide advancement of science and technology.

Halmos Scholarship - \$1,500

August 2026 - 2027

Awarded to accomplished graduate or undergraduate students of the Mathematics Department who demonstrate a promise for furthering the knowledge, application, or teaching of mathematics during their stay at SFSU and beyond.

Research Experience

SFSU

Boundary Complex of the Moduli Space of Curves

Spring 2026 - Current

City, State

- Mentor: Dr. Emily Clader
- Project: Investigating properties of the Boundary Complex of the Moduli Space of Curves of genus 1 with n marked points.

TALKS AND PRESENTATIONS

Exposition to the paper Adjoint Functors by Daniel Kan

November 2025

Electronic Computational Homotopy Theory Kan Seminar

ZOOM

Introduction to the Boundary Complex of the Moduli Space of Curves

May 2026

Society of Industrial and Applied Mathematics Student Seminar

San Francisco, CA

TEACHING

MATH 226 Calculus I Lab

Graduate Teaching Assistant

Fall 2025 - Fall 2026 (4 Sections)

SFSU

- Facilitating student led discussions in small groups using prepared discussion materials

- Hosting office hours once a week
- Grading weekly assignments

MATH 227 Calculus II Seminar
Graduate Teaching Assistant

Spring 2026
SFSU

- Generate 5-10 min review mini-lectures
- Creating weekly problem sheets and leading student discussion

SCHOLARLY ENGAGEMENT

Topological Data Analysis Reading Group

Spring 2026
SFSU

Leading 3 seminars with a focus on mathematics, programming, and teaching to help Dr. Niny Arcila-Maya develop a Topological Data Analysis intro course for undergraduate students

Discrete Mathematics and Cybersecurity Education Symposium

Fall 2025
SJSU

Participant

Community of Practice Meetings

Fall 2025

Weekly meetings with math education faculty to provide feedback on the undergraduate learning assistant program

SFSU

Algebra, Combinatorics, and Geometry Seminar

Fall 2024 - Current
SFSU

Attendant

Joint Mathematics Meetings

Fall 2024

Attendant

San Francisco, CA
